2026-2027 After School Care

After-School Care is \$8.00 per hour, per child.

After-school care is available on-site for any registered student. Care is available from 3:30pm until 6:00pm, with a snack given at 4:00pm. Students are provided with toys to play with, room to run and play, with visits to the playground as weather permits. Any student who has not been picked up by 3:30pm will be signed into after-school care, and their account will be billed accordingly.

After-school care charges are billed weekly, and charges appear on your monthly tuition bill. Charges are tabulated per hour, per student staying in after-school care. Balances are due the first of each month, and are expected to be paid in full. Students with persistent, outstanding balances may be denied access to after-school care.

Students are checked into after care at 3:30 by the staff member on duty. Students must be signed out by the parent or guardian picking them up prior to leaving for the day. Any person other than a parent or guardian picking up a student must be approved by the office prior to 3:00pm. He/she should be prepared to provide the staff member on duty with a current, state or federally issued photo ID before attempting to leave with a student. Any student remaining in after-school care past the 6:00pm pick up deadline will be charged a rate of \$8.00 for every 5 minutes until they are picked up. This is in addition to the regular-time rate for care provided before 6:00pm. Any portion of the first full hour that is utilized in after-school care will be charged for a full hour.

Students are expected to be polite, obedient, and respectful to the staff tending to them in after-school care. Students are expected to play in cooperation with the other students. Language is expected to be courteous, manners should be polite, and play should be kind. The Victory Christian School handbook outlines the rules and regulations expected for all students. A copy is available on our website at www.victorybaptistministries.com.
